## Attention

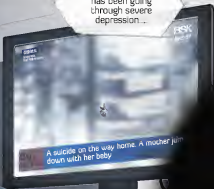

Pyramid saleswoman committed suicide  
with 100 million won

...With double  
suicide, the citizens  
are shocked

The woman called Gim, who  
committed suicide, is a  
pyramid saleswoman from  
N company.

She worked for  
several years she  
lost all her money,

Recently, she  
has been going  
through severe  
depression...

## 1. Joint Investigation

It sure looks  
scary

If she was going  
to die, she should  
have died alone.  
Why did she jump  
with a baby?

This is why  
we shouldn't  
watch news  
when we are  
eating

Hey, Chief  
It's not one or  
two people.

There are people  
involved. Your  
emotions are  
too dry

sfic grab

You are really comfortable,  
aren't you? Are you worrying  
about other people? Are you  
not even aware that your feet  
are on fire?

Eat all your  
dumplings

Stop...

Ugh Ugh!

...It has already been  
two months since the  
investigation has  
started

They can't find  
anything about this  
incident

The criminal seems to be  
laughing at their face. He  
committed a cruel act  
again a week ago

But the  
investigation team  
looks like they have  
failed again

They have nothing to  
show for their efforts

Yes. Please  
take care of your  
health

I will come  
and see you no  
matter what  
the time is.

Yes....

You said  
you quit

I think I have  
to quit coffee  
like this

It is like blood to  
people like us

Was that your  
mother just now? You  
said that she was sick.  
How is she?

Well... it looks like she  
is better. But the old  
lady is staying in her  
house for too long,  
she is feeling stuffy...

It looks like she  
doesn't want  
to worry you...

I decided to go and visit her when the situation here is wrapped up. But that's not going as how I thought it would be

Sigh... right

I thought that we would have a proper evidence this time, but no luck...

Is it good that he is committing more crimes now...?

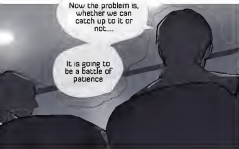

...Yes

He is clever, but he is showing signs that he is losing self control to committing more murders

Now the problem is, whether we can catch up to it or not....

It is going to be a battle of patience

How many  
more have to  
die before it's  
over....

Public opinions are  
public opinions, but  
it hurts me to see  
the people dead

There was one  
who was barely a  
high school  
student...
